Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am Describe customer with 3-4 key characteristics - who are they?	Describe the customer and their attributes here
I'm trying to List their outcome or "job" they care about - what are they trying to achieve?	List the thing they are trying to achieve here
but Describe what problems or barriers stand in the way - what addresses their need?	Describe the problems or barriers that get in the way here
because Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions that result from experiencing the problems or barriers

Example:

a traveler	book flights on my phone	it takes a long time	the website is not responsive and doesn't have a mobile version	**Frustrated**

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A busy working professional doing home workouts	Maintain proper form and posture while exercising independently	I lack real-time feedback and guidance on whether my technique is correct	Hiring a personal trainer is expensive and difficult to schedule	Anxious & Demotivated
PS-2	A fitness beginner starting a personal training routine	Track workout progress and accurately count completed repetitions	Manual tracking apps require frequent phone inputs during exercises	Stopping to log workout data manually interrupts the workout flow	Frustrated
